# Directors Profile

# Biviana Riveiro Disla

---

Executive Director

Executive Director at PRODOMINICANA, Investments and Exportations Center of the Dominican Republic. Since her designation, Riveiro has successfully initiated a number of policy changes, strategic alliances in the private and public sector and tactical agreements that will boost the country's economic growth in the areas of investment, exportations and international relations. Some of these initiatives are: The Country's Brand Project, The Dominican Republic PNFE-RD 2020-2030 Exports Development National Plan and The Single Investment Window Project, which will enable an electronic platform, managed by PRODOMINICANA, that will register and process all Foreign Direct Investments (FDI) in the D.R.
